

It's About Childhood & Family, Inc.

is a not-for-profit clinical and resource center dedicated to enhancing the quality of childhood and family life in our communities. Our mission is to advocate for all children by providing innovative, child-centered, and solution-focused mental health programs with a commitment to a collaborative approach to change. We believe that labels should not define the children and families that we work with. Instead we focus on their inner strength, resources, resiliencies, and potential for growth.

It's About Childhood & Family, Inc. offers a range of professional services directed towards strengthening the child, family system, and the larger community.

- ✓ *Play & individual therapy*

5-Day Advanced Training

This Five-Day course is designed for those who wish to master the Nurtured Heart Approach (NHA) and utilize it professionally in treatment, in school communities, for parent training and coaching, and for use in leading workshops and seminars. Participants will receive full certification in the use of the approach in all venues of TREATMENT, CONSULTATION and EDUCATION.

Monday–Friday, August 22–26 2011

Crowne Plaza Conference Center
Syracuse, New York

Advanced Training Schedule

This schedule will vary, as the whole process will be geared to deepening the conceptual understanding and the practical applications of the approach. Since all participants come to this training with the basics and a desire to dive deeper into the process, following the energy of where we need to go to accomplish that goal will be the order of the day and the schedule will be shifted accordingly.
