Our Family Matters program provides education, guidance, and support for parents dealing with an intense/difficult child in a manner that will transform the child to a higher level of happiness, security, conduct, and achievement; awakening the child to his/her own greatness.

Day of Week:	2 <sup>nd</sup> & 4 <sup>th</sup> Tuesday of month
--------------	--

Time:	6:30 – 7:30 P.M.
-------	------------------

Location:	Jowonio School 3049 East Genesee Street Syracuse, NY 13244
-----------	--

This free group is for parents/guardians of child(ren) exhibiting challenging behaviors in the home and/or school setting. For example, child may have behaviors which have been diagnosed as ADHD, ODD, or Bipolar.

As part of the group we will provide an introduction to the Nurtured Heart Approach, a parenting model that fosters the child's inner strength (character and spirit), giving him/her the moral compass necessary to effectively deal with and solve problems as well as succeed socially and emotionally.
